

Workout 1500

Description:

Workout 1500 is a moderately aggressive, lotion **Compound**.

Abrasiveness:**Buffability:****Swirl:****Part Number(s):**

CBO1B060-03: 1 Gallon
CBO1B060-02: Quart

Specifications:

VOC Compliant
Body Shop Safe
Phosphate Free
NPE Free

Characteristics

Function:	Remove light to medium scratches and oxidation
Surfaces:	Paint
Formulation:	Oil-in-water emulsion
Color:	Blue-Green
Fragrance:	Unscented

Key Benefits

- Quickly and effectively removes light to medium scratches and oxidation
- Very little product needed, which prevents pads from becoming saturated
- Good buffability, and generates little splatter
- Does not contain silicone, and will not "fish eye" freshly applied paint

How to use

- 1 Start with roof, then proceed to hood, trunk and sides.
- 2 Apply small amount of product directly on painted surface.
- 3 While product is wet, buff a 2' x 2' area with high speed buffer (1800 rpm, or less) and cutting pad. Keep pad flat on painted surface and buff until product dry, applying light, even pressure. Clean pad regularly with pad spur.
- 4 Remove residue with clean, soft cloth.
